

**All Aboard for Glacier:**  
*The Great Northern Railway and  
 Glacier National Park*  
 By C.W. Guthrie

Original photographs, posters, menus, postcards, and other materials compliment this lively history of the creation and promotion of Glacier National Park by the Great Northern Railway.  
**\$15.95 PAPER** • 96 pgs • color photos and illus

**Magic Yellowstone**  
 This recently restored half-hour black and white moving picture was filmed by Jack Ellis Haynes to promote tourism for the Northern Pacific Railroad in the 1920s. Catch a glimpse of the time when the venturesome tourists rode the Northern Pacific's steam engine down Paradise Valley, toured Yellowstone's unpaved roads in the first motorized open-air tourist buses and even fed the bears.  
**\$20.00 DVD** • 27 minutes

**The Great Northern Railway:**  
*A History*  
 By Ralph Hidy, Muriel E. Hidy, Roy V. Scott, Don L. Hofsommer  
 The Great Northern Railway highlights the changes brought on by economic, political, social, and technological advances, including world wars, increased competition from other modes of transportation, and tighter government restrictions.  
**\$29.95 CLOTH** • 376 pgs • 200 maps, photos, illus
